

# CONTINUITY PLANNING AND DR

SIMPLE.

SCALABLE.

**POWERFUL**

## YOUR CHALLENGE

94% of enterprises do not survive a loss of data. Most also don't realize cloud data isn't backed up!

- Hybrid environment
- Multiple Accounts and Folders
- Data Privacy Laws / Regulation
- Costly Data Storage Fees
- No Reporting
- Auditable DR Process
- Multiple Cloud Accounts

## OUR SOLUTION

We provide DR Planning, Consulting and the solution to facilitate the process across multiple storage types including Virtual Machines.

- Cloud Accounts
- Desktops
- Virtual Machines & Servers
- Reporting
- Troubleshoot for Failed Backups
- DR and CP Consulting
- Policy Development & Implementation
